Ripley Nursery School & Ripley Nursery School Childcare

Equality Statement

Ripley Nursery School is committed to ensuring equality of provision throughout the school community.

To achieve this, our equality objectives for 2026– 2029 are:-

- to improve outcomes for disadvantaged pupils through early identification of barriers to learning
- to ensure equity of provision for children with allergies
- to promote understanding and respect for differences and the diversity of communities.

We will achieve these objectives by:-

- having the highest expectations of all pupils, ensuring that teaching is consistently of the highest quality
- monitoring all children's Well-being and Involvement using the Leuven Scales, with a specific focus on vulnerable children
- identifying vulnerable groups and individuals, developing teaching and learning that is tailored to individual needs, thus ensuring that progress is sustained and accelerated
- working closely with health and other agencies to identify vulnerable children and families at the earliest opportunity
- ensuring the curriculum gives opportunities for our pupils to explore and appreciate differences both in school and wider society

- having robust allergy policy and procedures in place, lead by allergy champions and disseminated to whole staff team.
